in the **H.M. Artist Foundation Inc.** is a wonderful way to enhance your appreciation of the arts. It also affords you the opportunity to have an impact on and personal satisfaction in helping spread this appreciation to others. We are a non-profit, organization founded on September 22, 2005 to promote interest in and support of the arts. Learn more about the H.M.Artist Foundation, help further its development, and network with others who share the same love of the arts in all of its various forms. Please visit our website for information and updates www.HMArtistfoundation.com

In the world today, there is an abundance of negativity and strife. Our hope is that through the universal ‘love of art’ (in all its forms) we, as artists, can reach throughout the world’s borders, bringing to it the beauty and love of art! “Come walk with me, to a place where love is everything, where each thought creates imaginings, where the truth of who you are begins to be.... Oh come walk with me, to a place where time is standing still, where your dreams aren’t dreams they’re very real.....take a breath and walk with me” (D.H).

We welcome your participation in the Hendrick/Montaño Artist Foundation, Inc. Your membership will help ensure the continued development of great artists worldwide for years to come. Please call Daniel Hendrick at (619) 670-5270 with any questions.
